

Turn away for a moment and the

POOL could be

your **CHILD'S**
GRAVE

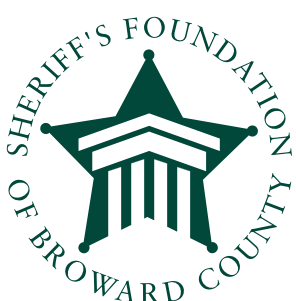

Drowning is the #1
cause of **death for children**
ages 1 to 4 in Broward County

If you could **prevent** your
CHILD'S DEATH,

WOULD YOU?

- ✓ **Install** a pool fence and pool alarm
- ✓ **Never** leave a child unattended near any body of water—even for a moment

Pride in Service with Integrity™
