Appendix A Salary Schedule | 57 |
THIS AGREEMENT is entered into this October 1, 2021 by and between Broward County Sheriff’s Office (hereinafter referred to as “Sheriff” or "BSO"), and the FLORIDA STATE LODGE, FRATERNAL ORDER OF POLICE, INC., (hereinafter referred to as the "FOP" or the “UNION”), as the sole and exclusive bargaining representative of the bargaining unit members within the certified Bargaining Unit.

WITNESSETH

WHEREAS, the FOP has been determined to be the certified bargaining representative of the bargaining unit members within the certified unit by the Public Employees Relations Commission based upon the Special Act of the Florida Legislature, House Bill 93-865, which inter alia, provides for rights of collective bargaining for specified deputy sheriffs, including those holding the rank of Lieutenant, employed by the Sheriff of Broward County;

WHEREAS, the Sheriff's obligation to bargain and to enter into this Agreement, which might in any way alter the Sheriff’s rights under the Florida Constitution or at common law, is solely based upon the Special Act referred to herein above;

WHEREAS, the Sheriff and the FOP have negotiated in good faith, with the FOP acting, as the exclusive agent for personnel included in the certified unit with respect to wages, hours, and terms and conditions of employment; and

WHEREAS, the parties, following extended and deliberate negotiations, and having had an opportunity to freely discuss any and all issues, have reached certain understandings which they desire to confirm in this Agreement.

IN CONSIDERATION of the following mutual covenants, it is hereby agreed as follows:
The Sheriff recognizes the FOP as the sole and exclusive bargaining agent for the Bargaining Unit of employees as certified by the Public Employees Relations Commission, Certification # 1905, with respect to the working conditions, rate of pay and other conditions of employment for those bargaining unit members of the Sheriff working within the certified unit, to-wit;

**INCLUDED:**

All regular, full-time sworn law enforcement officers employed by the Broward County Sheriff’s Office in the position of Deputy Sheriff with a rank of Lieutenant.

**EXCLUDED:**

All other employees of the Broward County Sheriff’s Office including all other sworn law enforcement personnel and employees who are managerial, confidential, temporary, reserve, part time and probationary as provided for in Chapter 93-370, Laws of Florida.
ARTICLE 2
NON-DISCRIMINATION

2.1 No bargaining unit member covered by this Agreement will be discriminated against by the Sheriff because of membership in the FOP, or authorized activity as required in this Agreement on behalf of the FOP.

2.2 The FOP will not discriminate against bargaining unit members covered by this Agreement on the basis of their refusal to become a FOP member.

2.3 Both the Sheriff and the FOP oppose discrimination on the basis of race, color, creed, sex, sexual orientation, national origin, age, religion, disability, pregnancy, marital status, or gender identity and expression or as otherwise required by law. However, the parties also recognize that the Sheriff has established an internal procedure to investigate and resolve alleged cases of discrimination which is in addition to existing and adequate procedures established by Broward County, the State of Florida and the Federal government. Accordingly, it is agreed that allegations of employment discrimination cannot be processed through the contractual grievance/arbitration procedure.
ARTICLE 3
MANAGEMENT RIGHTS

The FOP recognizes the right of the Sheriff to operate, manage, and direct all affairs of his office, including the exclusive right, subject to the terms of this Agreement, which arises solely from the Special Act of the Florida Legislature, House Bill 93-865:

3.1 To manage and direct all employees of the Sheriff’s Office.

3.2 To hire, rehire, reinstate, promote, transfer, schedule, assign, retain and lay off employees in position with the Sheriff’s Office.

3.3 To suspend, demote, discharge, or take other disciplinary action against employees for just cause.

3.4 To maintain the efficiency of the operation of the Sheriff’s Office.

3.5 To determine the structure and organization of the Sheriff’s office, including the right to supervise, subcontract, expand, consolidate or merge any division thereof.

3.6 To determine the number of all employees who shall be employed by the Sheriff, the job makeup, activities, assignments, and the number of hours and shifts to be worked per week, including starting and quitting times of all employees.

3.7 To determine the number, types, and grades of positions or employees assigned to an organizational unit, department or project, and the right to alter, combine, reduce, expand, or cease any position.

3.8 To determine internal security practices.

3.9 The exercise of the above-defined rights by the Sheriff shall not preclude employees or the FOP from raising grievances should decisions on the above matters have the practical consequences of violating the terms of this Agreement.

3.10 The FOP acknowledges that the Sheriff may make amendments, revisions, additions, deletions and/or changes to the Sheriff’s Policy Manual (SPM). Both parties agree to adhere to the most recent version of the SPM, until such amendments, revisions, additions, deletions and/or changes are made effective. Any amendments, revisions, additions, deletions and/or changes to the Manual shall be provided to the FOP ten (10) days prior to issuance, when practicable. This does not constitute a waiver of the FOP’s right to impact bargaining. However, impact bargaining will be deemed waived if not requested in writing to the Sheriff within 30 days of change.
4.1 It is recognized that the Sheriff currently has work rules, regulations, policies and procedures governing employment. The parties agree that the Sheriff has the sole and exclusive discretion to formulate, amend, revise and implement such rules, regulations, policies and procedures.

4.2 In the event that any rule, regulation, policy or procedure conflicts with this Agreement, the language in this Agreement shall control.
ARTICLE 5
NO STRIKE OR WORK STOPPAGE

The FOP, its officers, agents, representatives, and its bargaining unit members and employees agree that they will not strike, as defined by the Public Employees Relations Act, and agree not to participate in a strike against the Sheriff by instigating or supporting a strike, nor shall the bargaining unit members participate in a work stoppage, slowdown, sick out, job actions or picketing in furtherance, of any of the above-prohibited activities. The parties agree that any bargaining unit member who participates in or promotes any of the aforesaid activities may be discharged or otherwise disciplined by the Sheriff.
ARTICLE 6
BULLETIN BOARDS

6.1  The Sheriff agrees to permit reasonable use of all departmental bulletin boards located within the Sheriff's office by the FOP to be used for official Bargaining Unit notices only.

6.2  The FOP may provide written requests to the Sheriff to place its bulletin boards, at the sole expense of the FOP, at each one (1) of the District Offices and the Broward Sheriff’s Office Public Safety Building.

6.3  The Sheriff, in his sole discretion, shall determine the size, location and type of bulletin boards which may be provided by the FOP. The FOP agrees that it may only use and/or post one (1) bulletin board at each District and that those bulletin boards shall not be locked or enclosed.
ARTICLE 7
FOP REPRESENTATIVE/UNION BUSINESS

7.1 The Sheriff recognizes the right of the FOP to designate FOP representatives as it deems appropriate, with the understanding that representatives will be appointed based on location and shift, not to exceed more than two (2) representatives per shift and not more than one (1) representative from any one (1) District and/or from any one (1) specialty unit per shift. The FOP shall provide the Sheriff or designee a list of its designated representatives (and any alternates) and shall update such list as changes are made. Only those representatives (or alternates) so designated shall be authorized to utilize the FOP union leave time pool pursuant to the provisions set forth below. All designated FOP representatives, when employed by Sheriff, will have a work assignment and schedule consistent with their job classification.

7.2 The Sheriff agrees to contribute up to a total of one hundred (100) hours per year to a FOP union leave time pool for all bargaining unit members. Such time shall be utilized by FOP representatives, if necessary, for bargaining unit business as set forth in Section 7.5. Unused hours will not be carried over to the following year.

7.3 Upon depletion of the union leave time hours stated in 7.2, the FOP is required to authorize the Sheriff to process up to one hundred (100) hours of annual leave from FOP bargaining unit member donations. Such time shall be utilized by FOP representatives, if necessary, for bargaining unit business as set forth in Section 7.5. Donated bargaining unit member time can be carried over to the following year.

7.4 For each union representative who is authorized to use time from the union leave time pool, the bargaining unit member shall fill out the Employee Leave Request form as provided by BSO. This form shall be processed through the command of the bargaining unit member who is to use pool time. Command personnel shall determine if the bargaining unit member's absence will create a staffing shortage and will have the option to approve or disapprove this request.

7.5 Hours from the FOP union leave time pool may be utilized by designated FOP representatives when they are required to represent bargaining unit members as part of grievance procedures, when they attend monthly FOP Board of Directors meetings, negotiation sessions and meetings, and other mutually agreed meetings, subject to available staffing needs. The parties agree to limit the number of designated representatives attending functions other than official negotiation sessions, as specified in Section 7.1 of this Agreement. The parties agree that the number of designated representatives attending official negotiation sessions will be restricted to no more than four (4) representatives on union leave time status. Bargaining unit members attending such functions will submit an Employee Leave Request form to the District/Division captain in the member’s chain of command at least five (5) days prior to the time the bargaining unit member is requesting to use the union leave time pool. It is understood that, on rare occasions, the five (5) day time limit may not be met. Failure to file a completed Employee Leave Request
form five (5) days prior to the bargaining unit member's request for use of union leave pool time may result in the bargaining unit member's not being paid for the time requested.

7.6 The FOP union leave time pool will be used on an hour for hour basis, regardless of the hourly rate of the bargaining unit member using time from the time pool. In reporting a bargaining unit member's absence as a result of utilizing the union leave time pool, the daily attendance record shall reflect:

"Lieutenant John Doe on FOP" (FOP Union Leave Time Pool)

7.7 All applicable rules, regulations, and orders of the Sheriff's Policy Manual (SPM) shall apply to any bargaining unit member on union leave pool time. Violations of the above-mentioned rules, regulations and orders shall subject the bargaining unit member on union leave pool time to the regular disciplinary process currently provided for by the Broward Sheriff's Office.

7.8 Bargaining unit members who are on unpaid administrative suspension, Worker's Compensation or FMLA leave are not eligible to utilize the union leave time pool hours.
ARTICLE 8
NOTIFICATION POLICY

8.1 The designated sworn FOP representatives will be notified by Broward County's CAD Alerts of critical incidents received by command staff. The Sheriff or his designee agrees to make a reasonable effort to ensure that the FOP is not denied the notice provided for in this section.

8.2 Other than those situations in which the response of the FOP is specifically requested by the Sheriff, it shall be within the discretion of the FOP to determine whether an actual physical response is necessary.

8.3 The FOP will provide the necessary information to facilitate compliance with this Article.
ARTICLE 9
UNION DEDUCTIONS

Union deductions shall be made in accordance with forms provided by the FOP and executed and authorized by the bargaining unit member authorizing said deductions. There shall be no charge made by the Sheriff for these deductions. The exact amount of monies to be deducted for each bargaining unit member shall be provided by the FOP to the Sheriff. Any changes in the amounts to be deducted shall be given to the Sheriff thirty (30) days in advance. These monies shall be transmitted via electronic file transfer as designated by the FOP on a biweekly basis after the deductions are taken from the biweekly payroll. The FOP shall indemnify the Sheriff and hold the Sheriff harmless against any and all suits, claims, demands, and liabilities which arise out of or by reason of any action taken by the Sheriff to comply or attempt to comply with the provisions of this Article.

This assignment, authorization and direction shall be revocable, at any time, upon thirty (30) days written notification by the bargaining unit member, to the Sheriff and the FOP.
10.1 The basic workweek for bargaining unit members shall consist of forty (40) hours per week, unless otherwise specified or scheduled by the Sheriff or his designee.

10.2 Bargaining unit members assigned to a forty (40) hour workweek schedule will be assigned to work five (5) consecutive eight (8) hour days per week; or four (4) consecutive ten (10) hour days per week, or as scheduled by the Sheriff or his designee.

10.3 The parties recognize that all Lieutenants are salaried bargaining unit members who perform supervisory functions and are exempt from overtime coverage of the Fair Labor Standards Act (FLSA). Therefore, it is recognized that Lieutenants are not eligible to receive overtime compensation.

10.4 Bargaining unit members may utilize eighty (80) hours of Administrative Leave per calendar year. Bargaining unit members shall obtain supervisory approval prior to using administrative leave. Bargaining unit members are not required to submit proof of hours worked as a prerequisite to use of administrative leave. Administrative leave time may not be accumulated. Leave time must be used within the calendar year or it will be lost.
The Sheriff retains the exclusive right to determine the need for personnel reduction.

11.1 For the purpose of this Article, bargaining unit members shall have two (2) types of seniority: Classification Seniority and Department Seniority. Classification Seniority is defined as the length of service in a specific job classification. Department Seniority is defined as the length of service with the Broward Sheriff’s Office, measured from the bargaining unit member's initial date of hire.

11.2 In the event of personnel reduction, bargaining unit members shall be laid off in the inverse order of their seniority in their classification; provided, however, that where two (2) or more bargaining unit members have seniority standing within thirty (30) days of each other, the Sheriff shall determine the order of layoff, in his discretion, based, inter alia, on education and performance. However, if a layoff occurs, the bargaining unit member(s) shall have the right to revert to the next lowest rank for which they have adequate seniority, as defined herein. Upon reverting to a lower rank, a bargaining unit member's seniority shall be determined by the date of his/her original permanent appointment to that rank. All probationary bargaining unit members shall be reduced in rank before any non-probationary bargaining unit member is reduced in rank.

11.3 Bargaining unit members shall be recalled from layoff or reduction in rank pursuant to layoff in accordance with their seniority in the classification from which they were laid off. Recalled bargaining unit members will retain and carry over with them all seniority previously accrued in the classification from which they were laid off. No new bargaining unit member shall be hired or promoted until all non-probationary bargaining unit members on layoff status in that classification (i.e., on layoff and/or reverted in rank) have had an opportunity to return to their classification. The Sheriff reserves the right in his sole discretion to require that said recalled bargaining unit members submit to any such existing entry level test(s) (e.g., physical, psychological, polygraph, toxicology testing), in order to determine that they are physically and mentally capable of performing the work available at the time of recall. Further, all such recalled bargaining unit members must meet all of the established standards set by the Sheriff in effect at the time of the recall. When subject to recall to a Lieutenant position, bargaining unit members will be recalled before the position is filled by another classification.
ARTICLE 12
LEAVE OF ABSENCE WITHOUT PAY

A bargaining unit member may be granted a leave of absence without pay with the prior approval of the Sheriff as provided for in the Family and Medical Leave Act (FMLA) and in accordance with the Sheriff's policies.
ARTICLE 13
EQUIPMENT

13.1 The Sheriff will provide uniforms consistent with the Sheriff's Policy Manual (SPM).

13.2 In the event that personal property of a bargaining unit member is damaged, destroyed or lost as a result of performance of duty, the Sheriff agrees to repair or replace the item, based on the following conditions:

a) The bargaining unit member is required, within seventy-two (72) hours of the incident, to submit a written memorandum including a police report, proof of purchase (which may include documentation other than a receipt), and documentation of the loss; and

b) The District/Division commander or designee must review the bargaining unit member's memorandum and approve the request prior to disbursement; and

13.3 The Sheriff will provide replacement of all leather goods/accessories required for a bargaining unit member's use, and the bargaining unit member shall present any leather accessories to the District/Division commander or designee for inspection and approval prior to receiving a replacement. All damaged leather goods shall be returned to the Sheriff prior to giving the bargaining unit member a replacement.

13.4 Bargaining unit members will be issued a rechargeable flashlight at time of hire. Damaged flashlights or replacement parts due to normal wear will be the responsibility of BSO.

Good standing as used in this section shall be defined as a bargaining unit member retiring without criminal charges pending, or without administrative charges pending that subsequently result in a final decision to terminate. If administrative charges are pending at retirement that ultimately result in a recommendation for termination, the eligible bargaining unit member will continue to receive the two percent (2%) credit until ten (10) days after the Sheriff or designee renders a decision to terminate, or if appealed, upon resolution of a timely filed demand for arbitration upholding the termination.

A. Determinations

If two (2) or more bargaining unit members are promoted to lieutenant on the same date, for purpose of breaking a tie, seniority will be determined by the length of time the bargaining unit member was employed as a DLE Sergeant. The lieutenant with more time employed as a sergeant, would have more seniority. If both lieutenants were promoted on the same date and were DLE Sergeants for the same period of time, the lowest CCN number constitutes the senior bargaining unit member.

25.2 Bargaining unit members not assigned to a specialty unit or holding an Executive Officer (XO) assignment, shall be granted shift assignments and days off within the respective work units based upon seniority. A bargaining unit member shall not be denied shift assignment or days off based on seniority for more than one (1) bid during the period covered by this Agreement. The Sheriff or designee’s decision shall be final and non-grievable.

25.3 Shift and day off selection will be held twice a year. The first selection will be completed by the second pay period in January. The second selection will be completed by the second pay period in July. The effective selections will go into effect the first pay period of the month following the selection process.

25.4 If a conflict occurs between the seniority article and the transfer article, the language outlined in the transfer article will prevail.

If the bargaining unit member chooses to appear, a representative of BSO will be permitted to appear before the AAB for the same purpose.

28.7 The Director of the Professional Standards Committee or his/her designee will ensure that the bargaining unit member will be provided with copies of all documentation submitted to the AAB for its review including, but not limited to, the case file, any BSO responses to the bargaining unit member's written appeal and any amendments thereto, no later than ten (10) working days prior to the scheduled hearing.

**Step 1**

When a basis for a grievance arises, the FOP representative, on behalf of the bargaining unit member(s), shall present a written grievance specifying the nature of the grievance and the contract provision(s) allegedly violated to the bargaining unit member's District/Division commander, or designee, and shall provide a copy to the Office of the General Counsel, within thirty (30) calendar days of the date on which the bargaining unit member(s) or the FOP knew or could have reasonably known of the occurrence of the event allegedly giving rise to the grievance. Upon presentation of this written grievance to the District/Division commander, or designee, the bargaining unit member and the FOP shall attempt to resolve the same dispute and, within seven (7) calendar days thereafter, the District/Division commander or designee shall render a written decision to both the bargaining unit
member and to the FOP. If no decision is rendered within the time period, the
grievance shall automatically advance to the next step.

**Step 2**

In the event the bargaining unit member is not satisfied with the written answer to
Step 1 above, the grievance shall be presented, and a copy to the Office of the
General Counsel, within ten (10) calendar days after the written answer above to
the Sheriff, or designee, who shall, within ten (10) calendar days of the receipt of
same, render a decision in writing. If no decision is rendered within this time period,
the grievance shall automatically advance to the next step.

**Step 3**

above has not been resolved, either party may file within ten (10) calendar days
after the Sheriff, or designee, renders a written decision on the grievance, a
demand for arbitration upon the sheriff or designee, with a copy to the Office of the
General Counsel, and a request to the Federal Mediation and Conciliation

or impartial arbitrator.

a) BSO and the bargaining unit member (or the FOP) shall mutually
agree in writing as to the statement of the grievance to be arbitrated
prior to the arbitration hearing, and the arbitrator therefore, shall
confine his decision to the particular grievance thus specified. In the
event the parties fail to agree on the statement of the grievance to
be submitted to the arbitrator, the arbitrator will confine his
consideration and determination to the written statement of the
grievance presented in Step 2 of the grievance procedure as well as
BSO’s response to same.

b) The arbitrator shall not be authorized to amend, modify, add to, or
subtract from the provisions of this Agreement. He or she shall
consider and decide only the specific issues submitted to him or her
by the parties and shall not have any authority to make a decision on
any other issue beyond that presented in the Grievance asserted.
The decision shall be based solely upon his/her interpretation of the
meaning or application of the express terms of this Agreement or
established past practices consistent with the evidence presented. If
the arbitrator acts in accordance with this Section, the decision of the
arbitrator shall be final and binding on both parties. Expenses
incident to the services of the arbitrator shall be borne equally by
both parties. The arbitrator shall retain jurisdiction for thirty (30)
calendar days to address questions pertaining to his/her decision.

Bargaining unit members or the FOP having selected the procedure contained herein to process a grievance shall be estopped from and waive the right to use any other available procedure for processing grievances or claims.

28.13 The FOP will retain a seat on the Professional Standards Committee when the Committee is reviewing a case involving a bargaining unit member. D. The District/Division commander and the Executive Officer will not select vacation slots occurring or overlapping at the same time. The District/Division commander will have first selection rights. The Executive Officer will then have a reasonable time to pick his/her vacation time.

All accrued time in excess of four hundred (400) hours or the "grandfathered" cap will be lost by the bargaining unit member if not used within the calendar year. A bargaining unit member who has made reasonable attempts to use excess accruals and has been denied said requests shall submit written notification to the Human Resources Director via chain of command for authorization to carry excess accruals into the next calendar year.

B. EXCEPTION: GRANDFATHER CLAUSE

Bargaining unit members having accrued annual and holiday leave hours in excess of three hundred twenty (320) hours as of pay date March 10, 1995 shall be entitled to a "grand-fathered" cap of their accrued time as of that date.
EXAMPLE:

A bargaining unit member has four hundred (400) hours of annual leave and eighty (80) hours of holiday leave on the accrual report for pay date March 10, 1995. This is over the 320 hours cap maximum. This bargaining unit member would be grand-fathered in at four hundred eighty (480) hours. Before December 31 of each calendar year, the bargaining unit member will need to use any excess time over four hundred eighty (480) hours or forfeit the time.

This "grand-fathered" cap remains effective for each successive calendar year unless the bargaining unit member uses an amount of annual and/or holiday leave so as to reduce total accrued time below the cap as of December 31 of each calendar year. This new, lower balance of accrued time becomes the bargaining unit member's new grand-fathered cap.

EXAMPLE:

A bargaining unit member has a grand-fathered cap of four hundred eighty (480) hours, but at the end of the calendar year (December 31), the bargaining unit member's cumulative annual and holiday leave total is four hundred and ten (410) hours. The bargaining unit member's new grand-fathered cap is four hundred and ten (410) hours.

C. DROP/Retirement:

Once enrolled in DROP, bargaining unit member's annual/holiday leave cap will be adjusted to one hundred and sixty-eight (168) hours if the bargaining unit member elected to receive a payout of annual/holiday leave at the time of enrolling in DROP. At the time of separation, the annual/holiday leave payout will be in accordance with the Sheriff's Policy Manual (SPM) 4.3.15.

Those bargaining unit members who are within two (2) years of retirement/participation in the DROP may carry over the above annual/holiday leave four hundred (400) hour cap but may not exceed five hundred (500) hours of annual/holiday leave.

Those bargaining unit members who are within one (1) year of retirement/participation in DROP may carry over the above 500 hour cap, but may not exceed a payout of 580 hours.

A bargaining unit member must sign an irrevocable request at the time of his/her decision.

Once enrolled in DROP, bargaining unit members have the option of accruing or receiving payment for holidays.

All other DROP procedures will be in accordance with the Sheriff’s Policy Manual (SPM 4.3.15).
31.9 **Personal Day:**

Bargaining unit members covered by this Agreement will be allotted, at the end of the first full pay period in January, on an annual basis, one (1) personal day to be utilized at the discretion of the bargaining unit member, with prior approval from his/her immediate supervisor. The personal day must be utilized by December 31st of each year and cannot be accumulated for any reason. A personal day may be used in increments.
The Sheriff will apply the Military Leave Policy as stated in the Sheriff’s Policy Manual (SPM), State and Federal law.
Sick Time Payout:

Years of service for this section shall be determined by the bargaining unit members' current hire date.

a. Good standing, for this section, shall be determined as a bargaining unit member resigning or retiring without charges pending. If a bargaining unit member has been notified that charges are pending against him/her then said bargaining unit member must give a minimum of sixty (60) days’ notice of his/her resignation or retirement date. If the bargaining unit member is terminated prior to his/her resignation or retirement date, the bargaining unit member will not be considered leaving in good standing.

b. Any bargaining unit member who is within sixty (60) days of his/her DROP date and has been notified that charges are pending against him/her that, if sustained, would likely result in termination as decided at the sole discretion of the Sheriff or his designee, will not be considered leaving in good standing. If the charges are subsequently not sustained by the Professional Standards Committee (PSC), the records will be amended to reflect that the bargaining unit member left in good standing and the bargaining unit member will be entitled to his/her sick leave payout to be paid within thirty (30) days at the employee’s rate of pay at the time of separation. If the charges are subsequently sustained by the PSC, the PSC will then make a determination as to the level of discipline that would have been recommended had the employee still been employed with BSO. If the recommendation is anything less than termination, the records will be amended to reflect that the bargaining unit member left in good standing and the bargaining unit member will be entitled to his/her sick leave payout to be paid within thirty (30) days at the employee’s rate of pay at the time of separation. If the recommendation is for termination, the bargaining unit member will not be considered leaving in good standing.

If bonus days are selected, they must be taken within 13 pay periods. Effective upon the first full pay period following contract ratification, once the bargaining unit member receives the (2) two-day bonus, they will continue to receive the (2) two-day bonus until the bargaining unit member uses sick leave then the program starts over again with one (1) bonus day at the end of the next 13 pay periods. The maximum number of bonus days that a bargaining unit member can earn in any continuous twelve (12) month period is three (3) bonus days. The maximum of accrued bonus days cannot exceed two (2).
