New and/or Changed Classifications:

If new classifications are established by the Sheriff and added to the bargaining unit or if the duties of existing bargaining unit classifications are substantially changed, the Sheriff shall forward the changes and any proposed wage scale to the FPE for review. The Sheriff and the FPE retain all rights as to new and/or changed classifications consistent with the applicable law including the FPE’s right to impact bargain when applicable by law and consistent with Article 5 Section 5.2.

Excluded:

All other employees of the Broward Sheriff’s Office including managerial, confidential, temporary, professional, and supervisory employees with a conflict of interest, sworn and certified law enforcement officers, and all other BSO employees not specifically identified herein.

The Sheriff shall provide the FPE a list of the current bargaining unit members within a reasonable period following ratification. The list shall include their home address, classification, and current pay step and grade. The Sheriff shall provide periodic updates to include all newly hired unit members. Any unit member may direct BSO to exclude their home address from such list.

Further, the FPE agrees to indemnify and hold BSO harmless from any claim or cause of action brought by a bargaining unit member because of BSO’s compliance with this provision.
ARTICLE 2

NON-DISCRIMINATION

2.1 The FPE reserves the right to refuse membership to anyone via the Investigative Membership Committee, for just cause. The FPE will not discriminate in membership on the basis of age, race, creed, color, religion, national origin, sex, marital status, disability, or sexual orientation.

2.2 Removal from the FPE or membership removal is the exclusive right of the FPE, provided that such removal is not solely related to age, race, creed, color, religion, national origin, sex, marital status, disability, or sexual orientation.

2.3 No bargaining unit member or designated representative covered by this Agreement will be discriminated or retaliated against by BSO because of membership in the bargaining unit or authorized activity as required in this agreement on behalf of the bargaining unit.

2.4 The FPE will not discriminate against employees covered by the Agreement on the basis of their refusal to become an FPE member.

2.5 Both BSO and the FPE oppose discrimination on the basis of race, color, creed, sex, sexual orientation, national origin, age, religion, disability, pregnancy, marital status, or gender identity and expression or as otherwise required by law. However, the parties also recognize that BSO has established an internal procedure to investigate and resolve alleged cases of discrimination, which is in addition to existing and adequate procedures established by Broward County, the State of Florida and the Federal government. Accordingly, no allegation of employment discrimination can be processed through the contractual grievance/arbitration procedure.
ARTICLE 3

GRIEVANCE PROCEDURE

3.1 The parties will promptly adjust any complaint, dispute, or controversy involving the interpretation or application of any term or provision of this agreement.

3.2 A grievance shall be defined as any controversy or dispute arising between the parties involving questions of interpretation or application of the terms and provisions of this agreement.

3.3 Bargaining unit members receiving disciplinary actions of a suspension of five (5) days or less, or written reprimand, except for those actions concluded via the Admit and Move On procedure shall be entitled only to review by the Administrative Appeals Board (hereinafter, "AAB").

3.4 Appeals to the AAB shall be submitted within fifteen (15) calendar days from the date of the bargaining unit member's receipt of the final discipline (approved by the Executive Director of Internal Affairs). Appeals must be submitted in writing to the Sheriff or his designee. The decision of the AAB shall be final and binding on both parties.

3.5 AAB Structure Representation:

1) The AAB will consist of three (3) BSO employees. Two (2) employees selected by the Sheriff and one (1) employee will be a representative from the FPE. The FPE Representative will be selected as follows:

   a. Two separate lists, one of certified/sworn detention deputies and one of non-certified or civilian employees will be submitted by the FPE, via their union representatives, to the Sheriff.

   b. Each list (certified/sworn and non-certified or civilian) will consist of thirty (30) employees from within the bargaining unit.

   c. The Sheriff or designee will select fifteen (15) candidates from each list provided. These selected candidates will be eligible to randomly serve on the AAB for a twelve (12) month period and without additional compensation other than regular rate of pay.

   d. The Sheriff reserves the right to reject the initial submitted lists of candidates without explanation. The FPE will then submit another list of candidates. The Sheriff may not reject the revised lists without a reasonable explanation acceptable to the FPE.

   e. The employees designated by the Sheriff to serve on each AAB will be selected by the Sheriff in his sole discretion.
f. The employees designated by the Sheriff to serve will not have involvement in the current case being presented to the AAB.

2) The AAB will meet periodically at a predetermined date and time to hear employee appeals.

3) The selected FPE members (certified/sworn, non-certified or civilian) will be assigned to hear and determine those disciplinary matters pertaining to their respective employee classification.

4) All three (3) members must be present for the AAB to convene.

5) The Director of the Professional Standards Committee or designee will assist the AAB with procedural questions in ruling upon questions or issues during the hearing process. After all questions have been answered and the hearing concluded, only members of the AAB shall remain in the hearing room to consider the merits of the appeal and render findings.

3.6 Hearing process

1) Attendance by the bargaining unit member at the AAB hearing is not required. Therefore, any request for a continuance by the bargaining unit member should only be granted upon exceptional circumstances.

2) The AAB will hear and determine:

   a. Bargaining unit member requested cases involving five (5) day suspensions or less.

   b. Appeals based on previously filed written documents. No oral presentation may be made without supporting written documentation submitted at the time of invoking the appeal process, or as amended.

3) Bargaining unit members or their representative may appear before the AAB to provide a verbal statement restricted to those issues specifically outlined in the bargaining unit member's written appeal, amendments thereto and any documents attached for consideration by the AAB. A representative of BSO will be permitted to appear before the AAB for the same purpose. Either party may invite an additional representative to observe, but not participate, in the AAB proceedings, for purposes of education and training. No disciplinary history, even similar in nature, will be presented in writing or discussed prior to the violation being sustained.

4) The Director of the Professional Standards Committee or designee will ensure that the bargaining unit member is provided with copies of all documentation submitted to the AAB for its review, including but not limited to, the case file, any BSO responses to the bargaining unit member's written appeal and any
amendments thereto, no later than ten (10) calendar days prior to the scheduled hearing.

5) The AAB, upon its review of the case and all written materials, will make one of the following findings:

   a. Sustained

   b. Not sustained

After sustaining any violation, the AAB will:

   a. Review the bargaining unit member's prior disciplinary history and record.

   b. Consider the recommended discipline and either accept the recommended discipline, decrease the recommended discipline, or increase the recommended discipline.

   c. No discipline imposed by the AAB may exceed the jurisdiction of the AAB.

6) A written explanation shall be provided by each member, whenever the AAB does not sustain a charge or increases or decreases the discipline. A copy will be provided to the FPE and the bargaining unit member’s command.

7) The decision of the AAB will be binding on all parties, and no further appeal or grievance is permitted unless the written explanation of a member evidences bias or prejudice.

3.7 Disciplinary suspension of six (6) days or greater, demotion or termination shall be processed through the Professional Standards Committee and ultimately, if not resolved to the bargaining unit member’s satisfaction, to Step Three (3) as set forth below (arbitration).

3.8 Should differences or disputes arise concerning the terms and conditions of this Agreement between the parties to this Agreement or between the bargaining unit members covered herein and the Sheriff, the aggrieved party to this Agreement or any bargaining unit member(s), as the case may be, shall be required to use the following procedures.

**Step 1**

When there is a basis for a grievance, the FPE representative on behalf of the bargaining unit member(s), shall present a written grievance specifying the nature of the grievance and the contract provision(s) allegedly violated to the bargaining unit member’s department head, or designee, and a copy to the Office of the General Counsel, within fifteen (15) calendar days of the date on which the bargaining unit member(s) knew or could have reasonably known of the occurrence of the event allegedly giving rise to the grievance. Upon presentation
of this written grievance to the department head, or designee, the bargaining unit member and the FPE shall attempt to resolve the dispute and, within fifteen (15) calendar days thereafter, the department head or designee shall render a written decision to both the bargaining unit member(s) and to the FPE. If no decision is rendered within the time period, the grievance shall automatically advance to the next step.

**Step 2**

In the event the aggrieved bargaining unit member is not satisfied with the written decision rendered pursuant to Step 1, above, the same written grievance shall be presented by the FPE, and a copy to the Office of the General Counsel, within fifteen (15) calendar days after receipt of the written answer above, to the Sheriff, or his designee, who shall, within fifteen (15) calendar days of the receipt of same, render a decision in writing. If no decision is rendered within the time period, the grievance shall automatically advance to the next step.

**Step 3**

3.9 In the event a grievance processed through the grievance procedure set forth above has not been resolved, either party may file within fifteen (15) calendar days, and a copy to the Office of the General Counsel, after the Sheriff or his designee, renders a written decision on the grievance, a demand for arbitration upon the Sheriff or his designee. Within fifteen (15) days after filing the demand for arbitration, the FPE shall request the Federal Mediation and Conciliation Services (FMCS) to furnish a panel of seven (7) names from which each party shall alternate striking a name until the seventh (7th) is left which will give a neutral or impartial arbitrator. Both parties shall encourage the arbitrator to render his decision not more than thirty (30) days after the arbitration hearing or, where post-hearing briefs are filed, within thirty (30) days of their submission to the arbitrator. The arbitrator shall not be authorized to amend, modify, add to, or subtract from the provisions of this Agreement. He or she shall consider and decide only the specific issues submitted to him or her by the parties and shall not have any authority to make a decision on any other issue beyond that presented in the Grievance asserted. The arbitrator must address all arguments presented by both parties. The decision shall be based solely upon his/her interpretation of the meaning or application of the express terms of this Agreement or established past practices consistent with the evidence presented. If the arbitrator acts in accordance with this Section, the decision of the arbitrator shall be final and binding on both parties.

The parties agree to be subject to the Federal Mediation and Conciliation Service (FMCS) rules of expedited arbitration in instances where the arbitration process set forth above will render the arbitration moot. Where the parties agree that expedited arbitration is necessary to resolve a matter that would otherwise be rendered moot, the FPE shall present a written demand for expedited arbitration within ten (10) calendar days of the date on which the bargaining unit member knew or should have reasonably known of the occurrence or event that allegedly gave rise to the grievance. Expedited arbitration procedures will not include
disciplinary arbitrations. The arbitrator shall retain jurisdiction for sixty (60) calendar days to enforce their order.

The evidentiary standard to be applied by the arbitrator in any disciplinary or contract grievance shall be preponderance of the evidence. The party bearing the burden of proof must prove its case by a preponderance of the evidence to succeed. The arbitrator's fees and expenses shall be borne equally by both parties. In addition, court reporter services must be selected from a BSO qualified pool. The court reporter attendance and transcript fees shall be borne equally by both parties unless the FPE wishes to hire another court reporter who will meet the BSO attendance and transcript rates or pay the additional difference.

3.10 Application to this procedure shall foreclose and preclude the grievant from appealing to any other available procedure. Nothing in this Article shall require the FPE to process grievances for employees who are not members of the FPE, in conformity with Florida law. Employees having selected the procedure contained herein to process a grievance, shall be estopped from and waive the right to use any other available procedure for processing grievances or claims. Nothing herein shall prevent the member from maintaining a claim or cause of action independent and separate of the basis of the grievance or the relief sought therein.

3.11 The time limits in this Article shall be strictly observed and may be extended only by written agreement of the parties. However, grievances filed by the FPE on an institutional basis may be filed directly at Step 2 under Article 3.8 as described above. On a case-by-case basis, the parties may mutually agree to bypass any step or steps in the grievance procedure.

A moratorium will be observed annually by the parties during the winter holiday season. The moratorium will commence every December 23 through January 4. If January 4 falls on a Saturday or Sunday, the moratorium will be extended until the end of the next day which is not a weekend day. During the moratorium period all grievance time limits shall be tolled.

3.12 The FPE will retain its seat on the Professional Standards Committee (PSC) when the Committee is reviewing a case involving a unit member. The Professional Standards Committee will be guided by the BSO Policy and Procedures Manual. This unit member's command will be available for any questions posed by members of the committee but will not be authorized to attend the PSC hearing unless called upon. Additionally, the command member will not be permitted a vote unless the command member is a representative of the established Professional Standards Committee (PSC).

3.13 The Sheriff or designee will notify the FPE of all discipline within five (5) business days of final approval, including but not limited to matters that can be reviewed by the Administrative Appeals Board (AAB) in Arbitration.
ARTICLE 4

MANAGEMENT RIGHTS

The FPE recognizes the right of the Sheriff to operate, manage, and direct all affairs of the Sheriff’s Office, including the exclusive right, subject only to the terms of this Agreement:

4.1 To manage and direct all employees of the Sheriff’s Office including the scope of service to be performed by each employee and the content of each job classification/description.

4.2 To hire, rehire, promote, transfer, schedule, assign, retain and layoff employees in positions with the Sheriff’s Office.

4.3 To suspend, demote, discharge, or take other disciplinary action against employees for just cause.

4.4 To maintain the efficiency of the operation of the Sheriff’s Office including developing and amending job classifications/descriptions and controlling the use of equipment and property of BSO.

4.5 To determine the structure and organization of the Office of Sheriff, including the right to supervise, subcontract, expand, consolidate or merge any division thereof, consistent with Article 17 of this Agreement.

4.6 To determine the number of all employees who shall be employed by the Sheriff, job makeup, activities, assignments, and the number of hours and shifts to be worked per week or pay period, including starting and quitting times of all employees.

4.7 To determine the number, types and grades of positions or employees assigned to an organizational unit, department or project, and the right to alter, combine, reduce, expand or cease any position or organizational unit.

4.8 To determine internal security practices.

4.9 To determine whether and to what extent the work required in the operation of BSO will be performed by employees covered by this Agreement consistent with Article 17 of this Agreement.

4.10 To determine the number, location and operation of work sites within the scope of responsibilities of the Sheriff’s Office.

4.11 To require employees to participate in drug and/or alcohol testing as required by the standards of the Drug Free Workplace Act and/or the Sheriff's Policy, Manual (SPM).
4.12 To require employees to observe and obey BSO’s policies, procedures, rules and regulations.

4.13 The above are by way of example of the type of matters or rights which belong to and are inherent in the Sheriff in his general capacity of management pursuant to, among other things, the Florida Constitution. Any other rights, powers, and/or authority that the Sheriff had prior to entering into this Collective Bargaining Agreement are retained by him, except as specifically abridged, delegated, granted or modified by this Agreement.

4.14 The parties acknowledge and agree that the management rights provided to the Sheriff in said agreement are imposed pursuant to court order and are not affected by the expiration, ratification or non-ratification of the collective bargaining agreement.

4.15 If the Sheriff fails to exercise any one or more of the above functions from time to time, this will not be deemed a waiver of the Sheriff’s rights to exercise any or all of such functions.
ARTICLE 5

MAINTENANCE RIGHTS

5.1 The exercise of the above-defined rights by the Sheriff shall not preclude employees or the FPE from raising grievances should decisions on the above matters have the practical consequences of violating the terms of this Agreement.

5.2 The FPE acknowledges that the Sheriff may, from time to time, make amendments, revisions, additions, deletions and/or changes to the BSO Policy Manual (SPM) and other official documents setting forth rules, regulations, and operational procedures. The Sheriff will give the FPE’s designated business representative a copy of said changes to the Sheriff’s Policy Manual (SPM) ten (10) days prior to issuance except under exigent circumstances. This does not constitute a waiver of the FPE’s right to impact bargaining. However, impact bargaining will be deemed waived if not requested in writing to the Sheriff within six (6) months of the change.
ARTICLE 6

NO STRIKE - NO LOCKOUT

6.1 The FPE, its officers, agents, representatives, and its bargaining unit members and employees agree that they will not strike, as defined by the Public Employees Relations Act, and agree not to participate in a strike against the Sheriff by instigating or supporting a strike, nor shall the bargaining unit members participate in a work stoppage, slowdown, sickout, job actions or picketing in furtherance of any of the above-prohibited activities. Notwithstanding the above, there shall be no picketing whatsoever in uniform by the bargaining unit members covered by this Agreement.

6.2 During the term of this Agreement, the Sheriff agrees that it will not authorize, cause, or engage in any lockout of bargaining unit members unless a lockout should become necessary for the protection of the Sheriff's property. The Sheriff agrees that picketing out of uniform on an employee's off hours is a constitutional right.
ARTICLE 7

UNION DEDUCTIONS

7.1 Union deductions shall be made in accordance with forms provided by the FPE and executed and authorized by the bargaining unit member authorizing said deductions. There shall be no charge made by the Sheriff for these deductions. The exact amount of monies deducted through direct deposit and/or leave hours to be deducted for each bargaining unit member shall be provided by the FPE to the Sheriff. Any changes in the amounts to be deducted shall be given to the Sheriff and bargaining unit members thirty (30) days in advance. These monies shall be transmitted to the FPE within thirty (30) days after the monthly deductions. See Article 14 for total union time pool hours agreed upon.

7.2 This assignment, authorization and direction shall be revocable at any time upon thirty (30) days written notification by the bargaining unit member, to the Sheriff and the FPE.

7.3 The Sheriff shall permit the Union to maintain a separate payroll deduction slot designated specifically for the FPE Benefit Fund.

7.4 The FPE shall indemnify the Sheriff and hold the Sheriff harmless against any and all suits, claims, demands, and liabilities which arise out of or by reason of any action taken by the Sheriff to comply or attempt to comply with the provisions of this Article.
ARTICLE 8

HOURS OF WORK - OVERTIME

8.1 The determination of the daily, weekly and/or biweekly work schedules and the starting time of such schedules shall be established by the Sheriff. Such schedules may be changed by the Sheriff from time to time upon fourteen (14) calendar days’ notice to the non-probationary bargaining unit members and the FPE, and five (5) calendar days’ notice to new hire probationary bargaining unit members and the FPE.

8.2 The basic work period for bargaining unit members covered by this Agreement shall be forty (40) work hour(s) in a seven (7) consecutive day period, starting at 00:00 a.m. Saturday and ending at 23:59 Friday, unless otherwise specified or defined herein, or as scheduled by the Sheriff.

8.3 Breaks, Work Hours, Roll Call

For purposes of this Article, shift and non-shift schedules are defined as follows:

Shift schedules includes work schedules within a work location operating twenty-four hours daily, seven days (24/7) a week or a minimum of sixteen hours daily, seven days a week (16/7).

Non-shift schedules include work schedules within a work location operating forty (40) hours within a four (4) or five (5) day period each week.

A. Those bargaining unit members assigned to work eight (8) hour or ten (10) hour shift schedules will be entitled to two (2) fifteen (15) minute paid breaks. Bargaining unit members assigned to Regional Communications working a twelve (12) hour shift will be entitled to three (3) fifteen (15) minute paid breaks. Bargaining unit members on an eight (8) hour shift are entitled to one (1) thirty (30) minute unpaid meal break during the eight and one-quarter (8 ¼) hour work day. Bargaining unit members on a ten (10) hour shift are entitled to one (1) forty (40) minute unpaid meal break during the ten and one quarter (10 ¼) hour work day. Bargaining unit members assigned to Regional Communications working a twelve (12) hour shift are entitled to one (1) thirty-minute unpaid meal break during the twelve and one-quarter (12 ¼) hour work day. The fifteen (15) minute breaks are not to be taken consecutively or in conjunction with the unpaid meal break unless authorized by the bargaining unit member’s immediate supervisor. The break schedules shall be established by the Directors of the applicable departments, or their designees, and may be altered as operationally necessary. A bargaining unit member who voluntarily forfeits their paid break is not entitled to compensation or any type of reimbursement for the lost paid break time and are not entitled to a rescheduled break period. Breaks shall not be unreasonably withheld. Meal breaks will not represent compensable time, except as specified in this Agreement. Nonetheless, bargaining unit members shall continue to receive pay for forty (40) hours of work per regularly scheduled workweek. All bargaining unit members assigned to shift
schedules regardless of shift assignment, attend a roll call fifteen (15) minutes prior to their scheduled shift, which shall be included as part of the eight and one-quarter (8 ¼) hour work day, ten and one-quarter (10 ¼) hour work day, or twelve and one-quarter (12 ¼) hour work day.

B. Those bargaining unit members assigned to work non-shift schedules shall be entitled to two (2) fifteen (15) minute paid breaks and one (1) thirty (30) minute unpaid meal break during the eight and one-half (8 ½) hour work day or ten and one-half (10 ½) hour work day. The two (2) fifteen (15) minute breaks are not to be taken consecutively or in conjunction with the thirty (30) minute unpaid meal break unless authorized by the bargaining unit member’s immediate supervisor. The break schedule shall be established by the Directors of the appropriate departments, or their designees, and may be altered as operationally necessary. Breaks shall not be unreasonably withheld. Meal breaks will not represent compensable time, except as specified in this Agreement.

8.4 **Meal Breaks**

A. All bargaining unit members can be recalled from authorized meal breaks, for up to two (2) meal breaks in each forty (40) hour work period, at the discretion of their supervisor, without incurring any added compensatory time, unless a bargaining unit member has accrued actual work time in excess of forty (40) hours for the seven (7) day period.

B. Any bargaining unit member recalled from an authorized meal break shall provide immediate written notice to their supervisor of the recall during a meal break, and that no alternate, uninterrupted meal break was received for that work period.

C. The Sheriff further agrees to include within any new or renewed food services agreement for the Detention facilities, a prohibition against the participation of inmates in the preparation and serving of meals for bargaining unit members.

8.5 **Overtime**

A. All authorized and approved work performed in excess of forty (40) work hours in any workweek, as defined in Section 8.3 shall be paid at the overtime rate of one and one-half (1 ½) the bargaining unit member’s regular rate of pay, or the bargaining unit member shall be provided compensatory time, at the bargaining unit member’s discretion as described in section 8.6 below.

B. Hours that are computed as hours worked for the purposes of computing eligibility for overtime are consistent with the Sheriff’s Policy Manual (SPM) and do not include hours used for sick leave, bereavement leave, or FMLA leave, regardless of the accrual type being used for compensation while on FMLA leave.

C. A bargaining unit member who is called to physically return to work outside of his/her regularly scheduled hours of work shall receive a minimum of three (3) hours pay at the applicable rate. This three (3) hour minimum provision shall not
apply where the hours worked outside of the regular schedule run contiguous with the employee's regular hours of work, employees responding from another facility after their regular work shift has ended, or the employee is called to work to correct his own error or omission which cannot wait until employee's next shift.

D. Bargaining unit members who are on approved annual leave who are requested and agree to work during their regular shift time will have their annual leave cancelled for that shift.

E. BSO will attempt to provide at least one (1) hour notice when a Regional Communications employee is required to work mandatory overtime if possible.

8.6 **Compensatory Time**

Compensatory time is time earned at one and one half (1 ½) times the overtime hours worked by a bargaining unit member. The choice of compensatory time off or overtime pay shall be at the bargaining unit member's option. Accrued compensatory time may not exceed one hundred (100) hours, except when it is in the best interest of BSO, as determined by the Sheriff. Such accrual must be exercised and used in good faith within a reasonable time period, at the discretion of the Sheriff. Upon promotion to an exempt job classification or separation from BSO, the bargaining unit member will be paid for all accrued, unused compensatory time at the bargaining unit member's then-existing rate of pay.

A bargaining unit member, who is required to appear as a witness in any county/circuit/federal court proceeding (excluding appearances as a character witness), as a direct result of employment with BSO shall receive a minimum of three (3) hours of pay at the bargaining unit member's applicable rate, if called to testify outside of the bargaining unit member's regular hours of work. A bargaining unit member who is required to appear more than once during a day will receive an additional three (3) hours of pay if the second subpoena is more than three (3) hours after the beginning time of the first subpoena. If the second subpoena is within three (3) hours of the beginning time of the first subpoena, then it would be paid as continuous time based on the duration from the beginning time of the first subpoena through the ending time of the second appearance. The bargaining unit member shall not receive more than two (2) three (3) hour premiums under this article in one day. However, any bargaining unit member subpoenaed to testify, appear in court, or to present a case to the State Attorney's Office within one (1) hour before the start or at the end of his/her tour of duty will be compensated at the rate of one and one-half (1 ½) times the bargaining unit member's straight time rate of pay for actual time spent in court and/or presenting a case to the State Attorney's Office, before or after his/her regular shift, if overtime is incurred as a result of said appearance. Any time spent in court will be paid as continuous to the shift as outlined above. The bargaining unit member attending such court appearance must adhere to all rules and regulations as stated in the Sheriff's Policy Manual (SPM).
ARTICLE 9

LEAVE, HOLIDAYS, PERSONAL DAY, BEREAVEMENT LEAVE, JURY DUTY, MILITARY LEAVE REPORTING ILLNESS

9.1 Annual Leave

A-1 During the term of this Agreement the following annual leave periods shall be granted to full time bargaining unit members for the amount of time of continuous service with BSO as follows:

<table>
<thead>
<tr>
<th>Years of Work Completed</th>
<th>Annual Leave Days</th>
</tr>
</thead>
<tbody>
<tr>
<td>&lt;1-3 Years / 0-36 Months</td>
<td>80 Hours</td>
</tr>
<tr>
<td>3-10 Years / 37-120 Months</td>
<td>120 Hours</td>
</tr>
<tr>
<td>10 Years or More / 121+ Months</td>
<td>168 Hours</td>
</tr>
</tbody>
</table>

**Example**: The bargaining unit member completes three (3) full years of service, the bargaining unit members accrual accumulation increases to 15 days (120 hours).

A-2 Part-time employees, whose bi-weekly work schedule is equal to 40 or more hours, will continue to earn and accrue annual leave in accordance with the Sheriff's Policy Manual (SPM).

B. Pay Advances - a bargaining unit member may request his/her accrued vacation or holiday leave pay in advance of his/her scheduled leave by submitting a request in writing (including approved leave slip) to the Finance Bureau, Payroll Section at least three (3) weeks prior to starting leave. This provision shall be limited to bargaining unit members on leave in excess of ten (10) working days. Advanced payment for annual leave will not be granted in advance of hours earned.

C. Annual Leave Selection

1. The selection of the number of persons off duty on annual leave will begin no sooner than November 15 and completed no later than December 15, (unless mutually agreed upon), effective through the entire work period of the year next following and, where the pay period for the year end extends to the following year, through the first pay period to so carry over. This annual bid shall use seven percent (7%) of staff assigned that day to the shift as the guideline for determining the staffing levels.
2. Bids shall be for no less than two (2) consecutive workdays of annual leave unless otherwise required by law, such as to comply with the Family and Medical Leave Act. For the purpose of scheduling annual leave a bargaining unit member may use no less than two (2) consecutive days and no more than twenty-one (21) days. Bargaining unit members do not have to have the time accrued at the time of the vacation bid. However, the bargaining unit member must be able to show the time will be accrued by the time the vacation is to begin. Bargaining unit members may only bid for the amount of leave to which they are entitled pursuant to Section 9.1 A. For purposes of this section, the one (1) day prior to days off and the one (1) day after days off shall be considered consecutive workdays. A bargaining unit member may also schedule days less than twenty-one days (21) days in any number of days as long as it is no less than two (2) days. In accordance with 9.1 (A-1) bidding annual leave will be limited to a maximum of four (4) selections (picks).

For the purpose of establishing the annual leave calendar, the maximum bid selections will be as follows:

<table>
<thead>
<tr>
<th>Years of Work Completed</th>
<th>Annual Leave Days</th>
<th>Max Selection</th>
</tr>
</thead>
<tbody>
<tr>
<td>&lt;1-3 Years / 0-36 Months</td>
<td>80 Hours</td>
<td>2</td>
</tr>
<tr>
<td>3-10 Years / 37-120 Months</td>
<td>120 Hours</td>
<td>3</td>
</tr>
<tr>
<td>10 Years or More / 121+ Months</td>
<td>168 Hours</td>
<td>4</td>
</tr>
</tbody>
</table>

3. After the annual bid, annual or holiday leave shall be granted on a first come, first served basis based on generally accepted staffing requirements as outlined in Article 9.1 C-1 unless otherwise required by law, such as to comply with the Family and Medical Leave Act. Such leave requests will be submitted no earlier than sixty (60) days in advance by the employee whose name appears on the leave request or a proxy that the bargaining unit member selects. Approvals for any leave requests submitted within five (5) calendar days from the requested time off by bargaining unit members assigned to the Department of Law Enforcement (DLE) may be denied at the discretion of the command regardless of the seven percent (7%). Regional Communications will submit their leave requests through the TeleStaff system. Bargaining unit members who do not have the leave time accrued when submitting their leave request must be able to show the leave time will be accrued by the time the leave is to begin. If two or more bargaining unit members request the same day, at the same time, the more senior bargaining unit member, according to date of hire will be awarded the time off. In the event of a tie, the bargaining unit member with the lowest CCN will be awarded the time off. Said employee must submit this request in person or by proxy as early as one (1) hour prior to the beginning of his/her regularly scheduled shift on the first day of the required sixty (60) day advance notice except in Central Intake. In Central Intake the earliest time of submission on the sixtyth day will be as follows for each shift, Alpha shift is 0400 hours, Bravo shift is 1000 hours, and Charlie shift is 1800 hours. However, a bargaining unit member may choose to submit their leave request using another bargaining unit member as a proxy, in the event of a tie, the bargaining unit member who physically submits their request in person will prevail (This does not
apply to Central Intake or Regional Communications). For the purposes of this article, the beginning of the shift will be considered to be the time that roll call is scheduled to begin, or one (1) hour before a bargaining unit member’s swing shift begins (swing shift that is identified on the annual leave bids as having a different start time), except for Central Intake. Bargaining unit members will date stamp all leave requests and supervisors will make a reasonable attempt to process and return leave request slips in five (5) calendar days.

**Example:** If a bargaining unit member requests Saturday, June 9th off, the bargaining unit member will begin counting on Friday, June 8th as day one (1), and continue counting back sixty (60) days. Day sixty (60) will be the first day the request can be submitted.

The seniority basis for the purposes of bidding for annual leave shall be the bargaining unit member’s date of hire with the agency or, if the bargaining unit member became employed by BSO pursuant to an agreement with a contract city, date of hire with the contract city/county. That is, BSO and the FPE recognize the combination of contract city/county time and BSO time.

5. Annual leave must be taken unless a bargaining unit member cancels the annual leave at least forty-eight (48) hours in advance of the scheduled date. Requests for cancellation of annual leave that are less than forty-eight (48) hours’ notice may be entertained under exigent circumstances. The bargaining unit member understands that requests to reschedule annual leave, after cancellation, may not be accommodated should a rescheduling date not be available. If this occurs, the bargaining unit member will forfeit any leave over the annual/holiday leave cap. Leave previously approved will not be canceled except as outlined in Appendix A or in the case of an emergency as determined by the Sheriff or where the previously scheduled leave would be on unpaid status for lack of sufficient accrued paid time off.

6. The Deputies and civilians will have separate calendars for purposes of annual leave. Bargaining unit members assigned to Commissary/Property in the same budget code shall have separate calendars based upon their assignment to North Operations or South Operations.

7. Sergeants in the Department of Detention will have a separate calendar to bid for purposes of this section. This annual bid shall use seven percent (7%) of sergeants assigned that day to each shift as the guideline for determining staffing levels for sergeants. Notwithstanding the seven percent (7%) guideline, at least one sergeant per shift shall be eligible for annual leave. All other requirements of annual leave as detailed in sections (D)(1) through (D)(3) above shall be equally applicable to sergeants in the Department of Detention.
E. In the event of an involuntary transfer or bid change within the unit, a bargaining unit member's annual leave schedule shall be honored. The Modification and Release Agreement as outlined in Appendix “A” shall apply to this Article, except when a sworn bargaining unit member voluntarily bids for a vacancy within the same facility, on the same shift and days off. If the bargaining unit member elects to change their days off, only the pre-approved leave (annual, holiday, bonus day etc.) will be honored. This modification only applies when a bargaining unit member voluntarily bids within the same facility and shift.

Example:

Deputy Smith assigned to the Main Jail Charlie shift has Tuesday/Wednesday off. During a mini-bid process, Deputy Smith bids and assumes another Main Jail Charlie shift position but his days off are now Saturday/Sunday. Prior to the mini-bid, Deputy Smith was scheduled for vacation on a Thursday, Friday and Saturday, Sunday and Monday. Subsequent to the bid, he will retain Thursday, Friday, Saturday and Sunday (new days off) and Monday on the vacation calendar (note: this does not include original days off of Tuesday/Wednesday).

F. A bargaining unit member may accumulate no more than a cumulative total of three hundred and twenty (320) hours of holiday and annual leave. All accrued leave in excess of three hundred and twenty (320) hours or "grandfathered" cap will be lost by the bargaining unit member if not used within the calendar year. A bargaining unit member who has made reasonable attempts to use excess accruals and has been denied said requests shall submit written requests to the Director of Human Resources via his/her chain of command for authorization to carry and use excess accruals into the next calendar year.

EXCEPTION: GRANDFATHER CLAUSE

Bargaining unit members having accrued annual and holiday leave hours in excess of three hundred and twenty (320) hours as of pay date February 11, 1994, shall be entitled to a grand fathered cap of their accrued time as of that date.

Example:

A bargaining unit member has four hundred (400) hours of annual leave and eighty (80) hours of holiday leave on the accrual report for pay date February 11, 1994. This is over the three hundred and twenty (320) cap maximum. This bargaining unit member would be grandfathered at four hundred and eighty (480) hours. Before December 31 of each calendar year, the bargaining unit member will need to use any excess time over four hundred and eighty (480) hours or forfeit the time. This grandfathered cap remains effective for each successive calendar year unless the bargaining unit member uses an amount of annual and/or
holiday leave so as to reduce total accrued time below the cap as of December 31 of each calendar year.

**Example:**

A bargaining unit member has a grand-fathered cap of four hundred and eighty (480) hours, but at the end of that calendar year, the bargaining unit member's cumulative leave total is four hundred (400) hours. The bargaining unit member's new grand-fathered cap is four hundred (400) hours.

**G. DROP Exception: Grandfather Clause**

Those bargaining unit members who are within one (1) year of retirement/participating in DROP may carry over up to one (1) year of annual leave and exceed the above 320-hour cap up to 500 hours of annual leave. A bargaining unit member must sign an irrevocable request at the time of his/her decision.

**H. DROP/RETIREMENT**

Bargaining unit members hired on or after October 1, 2021, who enroll in DROP will be governed by the DROP provisions outlined in the Sheriff's Policy Manual (SPM).

**9.2 Sick Leave**

A. No disciplinary action shall be taken for use of sick time unless abuse or excessive use is proven by BSO. BSO agrees that bargaining unit members will not be called or visited at home between the hours of 10 p.m. and 7 a.m. or during their scheduled work hours, except with the permission of the Facility Shift Commander or equivalent level supervisor. All such calls or visits will be documented.

B. The following Sick Leave Payment Schedule will be applied for all bargaining unit members. Years of service for this section shall be determined by the bargaining unit members current hire date. “Good standing” as used in this section shall be defined as a bargaining unit member resigning or retiring with no charges pending. If a bargaining unit member has been notified that charges are pending against him/her then said bargaining unit member must give a minimum of sixty (60) days’ notice of his/her resignation or retirement date. If the bargaining unit member is terminated prior to his/her resignation or retirement date, the bargaining unit member will not be considered leaving in good standing. If the charges are subsequently not sustained by the Professional Standards Committee (PSC), the records will be amended to reflect that the bargaining unit member left in good standing and the bargaining unit member will be entitled to his/her sick leave payout to be paid within thirty (30) days at the employee’s rate of pay at the time of separation. If the charges are subsequently sustained by the PSC, the PSC will then make a determination as to the level of discipline that would have been recommended had the employee still been employed with BSO.
If the recommendation is anything less than termination, the records will be amended to reflect that the bargaining unit member left in good standing and the bargaining unit member will be entitled to his/her sick leave payout to be paid within thirty (30) days at the employee’s rate of pay at the time of separation. If the recommendation is for termination, the bargaining unit member will not be considered leaving in good standing.

**Zero (0) to Ten (10) Years of Service**

Upon normal retirement (as defined by FRS or contract city) of a bargaining unit member in good standing or upon the death of a bargaining unit member in good standing with at least ten (10) years of service but less than fifteen (15) years of service, the bargaining unit member will receive payout upon separation of fifty percent (50%) of their unused accumulated sick leave up to a maximum of four hundred eighty (480) hours computed at the bargaining unit members current rate of pay.

Bargaining unit members leaving in good standing with at least twenty five (25) years of service will receive upon separation twenty five percent (25%) of their unused accumulated sick leave up to a maximum of two hundred forty (240) hours, computed at the bargaining unit member's current rate of pay.

Upon normal retirement (as defined by FRS or contract city) of a bargaining unit member in good standing or upon the death of a bargaining unit member in good standing with at least twenty five (25) years of service, the bargaining unit member will receive upon separation one hundred percent (100%) of their unused, accumulated sick time up to a maximum of one thousand one hundred sixty (1160) hours, computed at the bargaining unit member's current rate of pay.

**Thirty (30) Years of Service**

Bargaining unit members leaving in good standing with at least thirty (30) years of service will receive upon separation twenty five percent (25%) of their unused accumulated sick leave up to a maximum of two hundred forty (240) hours, computed at the bargaining unit member's current rate of pay.

doctor in order to be approved to utilize other accrued leave. Failure to provide the signed doctor’s note will result in the bargaining unit member being ineligible to use other accrued leave.

C. **FPE Sick Leave Donation**

At the Sheriff’s discretion, bargaining unit members may request sick leave donations to be provided solely by bargaining unit members within the FPE, in addition to the current BSO sick leave pool and/or donated leave program.

1. All requests for sick leave donations must be limited to extenuating or catastrophic circumstances and forwarded to the Sheriff for approval prior to receiving donated sick leave. The requesting member must have applied for the BSO donated leave program and have either received denial, reached the maximum benefit payable or exhausted the donated hours received prior to requesting additional sick leave donations from the FPE Sick Leave Donation Program.

   i. The maximum number of donated sick hours a bargaining unit member may receive and utilize is three hundred and twenty (320) hours per calendar year.

   ii. The maximum number of hours a bargaining member may donate is four (4) hours per calendar year. The hours donated to a receiving bargaining unit member will only be deducted from the donating employee’s bank on an as needed basis in the order of receipt from the donated member. No hours will be allowed to be pooled for use on a future date or occurrence.

   iii. Donating members must have a minimum of 400 hours of sick leave accruals to be eligible to donate.

Bargaining unit members not scheduled to work, but who, with prior written approval do work on a designated holiday, shall be paid at the rate of one and one-half (1½) of the bargaining unit member's straight time rate of pay for all hours worked on the holiday, plus eight (8) hours holiday pay at the bargaining unit member's straight time rate of pay.

The bargaining unit member may choose, at his/her option, to receive compensatory time in lieu of pay for the hours worked as described in this paragraph 9.3C. In such case, compensatory time shall be calculated at the rate of one and one-half (1½) times the hours worked by the bargaining unit member.

If requested, each bargaining unit member, except those bargaining unit members classified as Regional Communications Duty Officer or Regional Communications Operator I, II or III, will be scheduled to be off on at least one (1) of the holidays between (and including) Thanksgiving and New Year's Day. Bargaining unit members who have a scheduled regular day off coinciding with a BSO recognized holiday between (and including) Thanksgiving and New Year's Day and elect to work that holiday will forfeit the holiday of choice as set forth herein.

supervisor. A bargaining unit member who is granted such jury duty shall suffer no loss of pay or other accumulated leave as a result of being required to serve on jury duty. Fees earned for jury services shall be submitted to the Finance Bureau. If a bargaining unit member uses no sick leave for the immediately following thirteen (13) pay periods, the bargaining unit member has the option to take an additional two (2) bonus days or receive pay (regular time). If bonus days are selected, they must be taken within 13 pay periods. The parties agree that the number of designated representatives attending official negotiation sessions will be restricted to a total of twelve (12) representatives on union leave time status, subject to reasonable staffing concerns. Only bargaining unit members who are designated representatives as set forth in section 14.1 above may attend such functions and will submit an Employee Leave Request form.

14.7 Designated FPE representatives will be permitted speaking time at roll calls, and other bargaining unit gatherings, not to exceed fifteen (15) minutes per site/shift during a seven (7) work day period.
14.8 The FPE union leave time pool bank will be used on an hour for hour basis for hours used by the representative. In reporting a bargaining unit member’s absence as a result of utilizing the union leave time pool bank, the daily attendance record shall reflect: “John Doe on FPE” (FPE Union Leave Time Pool bank).

14.9 All applicable rules, regulations, and orders of the BSO Policy and Procedures Manual shall apply to any bargaining unit members on union leave time pool status. Violations of the above-mentioned rules, regulations and orders shall subject the bargaining unit member on union leave time pool status to the regular disciplinary process currently provided for by the Broward Sheriff’s Office.

14.10 All bargaining unit representatives, including the FPE Director and the Civilian Labor Representative, will be required to follow all BSO policies and procedures, directives and training requirements.

14.11 Bargaining unit members who are on unpaid administrative suspension, Worker’s Compensation or FMLA are not eligible to utilize union leave time pool hours.
ARTICLE 15

NOTICE OF RULES MANUALS

Bargaining unit members will be issued all applicable rules and regulations of the Broward Sheriff’s Office at the time of hire. All updates of applicable rules and regulations will be issued to bargaining unit members as soon as practicable. Each bargaining unit member is responsible for knowing all applicable rules and regulations, as updated, within a reasonable amount of time of its issuance to bargaining unit members.
ARTICLE 16

SAFETY COMMITTEE

16.1 The Sheriff will continue the Safety Committee, which meets periodically to review all BSO occupational and safety standards as it pertains to the bargaining unit and safety complaints made by bargaining unit members.

16.2 The FPE may appoint up to five (5) unit members to serve on the Safety Committee at no loss of pay or benefits.

16.3 The Safety Committee meets, at a minimum, on a quarterly basis. At least seven (7) calendar days prior to the meeting, the FPE shall provide the Sheriff with an agenda summarizing any item(s) for discussion at the next meeting. The Sheriff may include any safety-related item for discussion by timely providing the FPE with an agenda prior to the meeting.

16.4 Any recommendation made by a majority of the Safety Committee will be forwarded, in writing, to the Sheriff for his review. A majority vote is required for any recommendation by the Safety Committee. The Sheriff will provide a written response to the Safety Committee within fourteen (14) calendar days.

16.5 The recommendations of the Safety Committee are not binding on the Sheriff.
ARTICLE 17

SUBCONTRACTING AND SUCCESSORSHIP

17.1 The Sheriff, as the designated Chief Detention Officer, and any successor or assignee of detention/jail responsibilities in and for Broward County (whether private or public), will not subcontract, during the term of this Agreement, any bargaining unit work, or any part thereof, performed by certified detention officers in the bargaining unit.

17.2 The FPE shall be provided with prior notice before any bargaining unit work, performed by non-sworn or civilian members, can be subcontracted. Any displaced bargaining unit member will be provided preferential consideration for another vacant and funded position within the agency. Such bargaining unit member shall be required to satisfy the qualifications for said position. Transitional training will be made available to assist any displaced bargaining unit member in meeting the minimum job skills, knowledge, and abilities of the available position.
ARTICLE 18

PROBATION

18.1 The probationary period shall be regarded as an integral part of the employment process. It shall be utilized for closely observing the bargaining unit member’s work and for securing the most effective adjustment of the new employee to his/her position, and for separating bargaining unit members whose performance does not meet the required standards.

18.2 The standard probationary period for all new BSO bargaining unit members will be twelve (12) months of continuous employment from the date that the bargaining unit member begins working as a paid full-time employee (not counting worker’s compensation time, Family and Medical Leave Act time or time on suspension as a result of disciplinary action or Internal Affairs investigation). Detention deputies (including those promoted from a civilian position) will be considered probationary until they have been certified and until they have performed the duties of a certified detention deputy for twelve (12) consecutive months and have successfully completed the Field Training Deputy (FTD) Program. Communication Operators (including those coming from another job classification or transferred from another job classification) will be considered probationary until they have successfully completed the Communications Training Academy and they have performed the duties of a Communications Operator for twelve (12) consecutive months thereafter. Prior to expiration of this time period the Sheriff shall either: (1) provide written retention of the bargaining unit member granting permanent employment status; (2) extend the bargaining unit member’s probation up to an additional six (6) months; or (3) in the event of the Sheriff’s failure to provide written retention as set forth in (1) hereof, the bargaining unit member shall automatically be separated from employment, said separation being absolutely final, with no rights of appeal to any authority including either the grievance/arbitration procedure contained herein, or any disciplinary review process established by policy and procedure.

18.3 A bargaining unit member, during the probationary period, serves at the will and pleasure of the Sheriff. Accordingly, a probationary bargaining unit member may neither grieve, nor otherwise challenge by any other available procedure, any decision by the Sheriff involving discharge. Probationary bargaining unit members, through the FPE, are limited in their use of the grievance/arbitration procedure contained in Article 3 to resolve only a contractual grievance through the FPE, as defined in Section 3.2, exclusive of a disciplinary or discharge action.

18.4 During the initial probationary period, no bargaining unit members may request a voluntary transfer.

18.5 The Sheriff may evaluate the performance of bargaining unit members at least four (4) times during their initial probationary period. All evaluations will be discussed with the bargaining unit member. BSO will counsel the bargaining unit member on any concerns that may deny permanent employment status to said employee.
18.6 Except for civilian bargaining unit members who become certified detention deputies or regional communication operators, a bargaining unit member who receives a promotion from a lower to a higher position shall serve a probationary period of six (6) months (of continuous employment) from the date of promotion. The bargaining unit member’s base rate of pay shall be increased to the minimum pay rate of the higher classification. Bargaining unit members, at or above the higher classification minimum, will be increased to the step closest to five percent (5%) within the range. A bargaining unit member may voluntarily "retreat" within ninety (90) days of the promotion to their previously held bargaining unit position at no loss of pay received prior to the promotion and with no loss of previous seniority.

18.7 The Sheriff may recommend retention of the bargaining unit member in the promoted position. If the Sheriff fails to approve retention in writing, the bargaining unit member shall automatically revert to a bargaining unit position, without loss of (previous) rights or benefits unless the bargaining unit member is terminated for disciplinary reasons. Such reversion may not be appealed through the grievance/arbitration procedure. A detention deputy assigned to the Department of Law Enforcement will serve a twelve (12) month probationary period. A deputy reassigned to the Department of Law Enforcement shall have no rights under this Agreement. Within the probationary period BSO may, in its sole and exclusive discretion, return the bargaining unit member to the Department of Detention and Community Programs.

18.8 Bargaining unit members who take a voluntary demotion to a bargaining unit position may “retreat” within six (6) months of the voluntary demotion to their previously held bargaining unit position if a vacancy exists, at the rate pay received prior to the demotion. However, time in classification seniority will not include the time served in the demoted job classification.
ARTICLE 19

MANAGEMENT/LABOR COUNCIL

19.1 The Management/Labor Council will be composed of three (3) members appointed by the Sheriff or Director of Detention, three (3) FPE members and any other person(s) agreed to by both parties.

19.2 This Council shall meet on at least a quarterly basis at a place convenient to the Council members.

19.3 The Council shall consider and openly discuss issues relating to operational policies, procedures and manpower as covered by this Agreement.

19.4 This Council may discuss minimum staff requirements and levels for each of its organizational units. This will ensure the interest of the Sheriff in areas of safety and efficiency as they pertain to operations of the Sheriff’s Department.

19.5 This Article shall not in any manner limit or affect parties’ rights as set forth in this Agreement; nor shall this provision be used to circumvent any topic for negotiations.

19.6 Any recommendation by this Council shall only be advisory in nature.
ARTICLE 20

LIGHT DUTY ASSIGNMENTS

Bargaining unit members who are temporarily unable to perform the essential functions of their position due to an injury or illness may be temporarily re-assigned to a light duty assignment for which they can perform the essential job functions. Only up to thirty (30) light duty positions will be available. Preference for the light duty positions will be given to bargaining unit members who sustain an on-duty injury. The Sheriff or his designee in his sole and exclusive discretion may increase the number of light duty positions. A bargaining unit member who refuses a light duty assignment authorized by his or her physician will forfeit any sick leave or disability benefit to which he/she would otherwise be entitled.

**On-Duty Injury or Illness** - All light duty assignments will be administered in accordance with Worker’s Compensation FS 440.15 (6). If a bargaining unit member incurs an on-duty injury or illness, the bargaining unit member may be allowed, at the discretion of the Sheriff or designee, to return to work in a light duty status upon the recommendation of the Worker’s Compensation authorized physician. At the discretion of the Sheriff or his designee, the light duty assignment may continue in excess of sixty (60) working days.

**Off-Duty Injury or Illness** - If a bargaining unit member incurs an off-duty injury or illness, the bargaining unit member may be allowed, at the discretion of the Sheriff or designee, to return to work in a light duty status upon the recommendation of his/her physician for no more than sixty (60) working days in any continuous 24 month period, except in exceptional circumstances, as determined by the Sheriff or designee.
ARTICLE 21

SENIORITY, LAYOFF, RECALL & VACANCIES

21.1 **Seniority**

A. **Annual Leave Bidding** - Seniority date for all purposes of bidding for annual leave shall be the bargaining unit member's date of hire with the agency or if the bargaining unit member became employed by BSO pursuant to an agreement with a contract city, date of hire with the contract city/county. That is BSO and the FPE recognize the combination of contract city/county time and BSO time.

B. **Shift Bidding** – Any Classification that works a (7) seven day per week schedule and or has two or more shifts, will be considered for this section. Seniority date for the purpose of annual shift bidding for shift, post/assignment, days off and facility/location (facility/location is specific to DOD only), shall be determined and established from the bargaining unit members' time in classification date (TICD). Annual shift bids are defined as the opening of all shifts, posts/assignments, days off, and facilities/locations (facility/location is specific to DOD only), in a classification, district or division, and by seniority, bargaining unit members will pick from the available vacancies. See 21.3 B and 21.4 for bid process.

TICD is defined as the date of entry into the most recently held classification in the FPE bargaining unit to which he/she is assigned. As to contract city/county, bargaining unit members will be credited with the time in their most recent classification with the contract city prior to acquisition.

Notwithstanding the above, the determination of Time in Classification Date (TICD) for those bargaining unit members assigned to the Communication Operator Series or those bargaining unit members assigned to the Confinement Status Specialist series shall be determined and established from the bargaining unit member's original date of classification within the Communications Operator series or the Confinement Status Specialist Series.

C. **Mini Bids** – Mini Bids may be conducted in-between the annual bids. Mini Bids are defined as bids for vacant posts/assignments only and by seniority.

For bargaining unit members receiving a demotion to a previously held job classification due to a bumping within a Layoff, the bargaining unit member will be credited with the TICD held previously within that job classification. For bargaining unit members receiving a demotion due to bumping within a layoff to a job classification not previously held, the bargaining unit member shall retain their current TICD.

D. Any bargaining unit member who voluntarily terminates his/her employment, resigns, or is discharged, shall lose all rights to seniority and benefits, including longevity. The only exemption to this Article for retaining all rights of seniority will be when a bargaining unit member returns to work within one (1) year (365 days) of being laid off.
New employees shall be credited with bargaining unit status from the bargaining unit member's date of certified classification after successfully completing the probationary period, and shall be permitted to exercise seniority rights when regular bargaining unit member status is achieved, or as otherwise defined in Section 21.3 of this agreement.

E. The transfer, permanent assignment or promotion of a bargaining unit member for purposes of this Agreement to another job outside the bargaining unit shall terminate the acquisition of Time-in-Classification Date (TICD) seniority, unless the bargaining unit member returns to the bargaining unit within one (1) year. The bargaining unit member shall not be compelled to serve another probationary period upon return. After one (1) year bargaining unit members may not be bumped or displaced by non-bargaining unit members. However, non-bargaining unit members may be placed in a vacancy as determined by the Sheriff or designee if one exists.

21.2 Layoff and Recall

A. The Sheriff reserves the right to layoff bargaining unit members for lack of work, or lack of funds. In the event of personnel reductions, bargaining unit members shall be laid off in the inverse order of seniority as defined in this Article. If more than one (1) classification is affected, a bargaining unit member laid off from a higher classification shall be given an opportunity to revert to the next lower classification, provided the bargaining unit member is able to perform the job in a satisfactory manner without a trial period and has maintained necessary certifications if applicable.

B. Bargaining unit members shall be recalled from layoff based on hire date seniority. Bargaining unit members who are recalled will retain their hire date and time in class date (TICD) seniority and the pay step they were assigned at the time of layoff. TICD will not apply with reference to shift bidding until the next shift bid. The recalled bargaining unit member will be placed in the available vacancy. Leave payouts processed as a result of the layoff will not be reinstated. No new employee shall be hired in any classification until all bargaining unit members on layoff status in that classification have had an opportunity to return to work. A bargaining unit member whose position was identified for layoff and who elects to accept another position within BSO or a bargaining unit member who reverts to a previously held job classification as outlined in 21.2 (D) within BSO, will forfeit their right to recall. The Sheriff reserves the right in his sole discretion to require said recalled bargaining unit members to submit to any such selection procedure(s) relevant to their job assignment including but not limited to: background checks, toxicology testing, as well as any other testing to determine if such bargaining unit members are deemed physically and mentally qualified to perform the work. Should the results of these selection procedures not meet BSO standards, the bargaining unit member will forfeit all rights to recall.
No laid off bargaining unit members shall retain the recall rights provided herein beyond twelve (12) months from date of layoff. Should a bargaining unit member decline the agency's offer to recall the bargaining unit member will forfeit all rights to recall.

C. A laid off bargaining unit member shall provide written notification to BSO of any change of address. The notice to return to work will be sent to the bargaining unit member's current address on file with BSO by certified mail with copies to the FPE, no less than seven (7) calendar days prior to the date the bargaining unit member is to report to work. A recalled bargaining unit member shall be considered to have quit if they fail to accept employment within seven (7) calendar days after notification, or fail, without permission, to report to work as instructed. Thereafter, the provisions of this Agreement notwithstanding, the Sheriff will owe no further obligation to the bargaining unit member. For bargaining unit members receiving a demotion to a previously held job classification due to a bumping within a Layoff, the bargaining unit member will be credited with the TICD held previously within that job classification. For bargaining unit members receiving a demotion due to bumping within a layoff to a job classification not previously held, the bargaining unit member shall retain their current TICD.

Bumping is only allowed into a lower job classification that is part of a job classification series as defined by the Bureau of Human Resources i.e. Administrative Specialist II to an Administrative Specialist I or Detention Sergeant to a Detention Deputy.

D. Bargaining unit members subject to layoff or bumping may revert to a previously held classification if a vacancy in that previously held job classification exists and the bargaining unit member has the skills and abilities to perform the job in a satisfactory manner and has maintained certifications if applicable, without a trial period. Upon reverting, the bargaining unit member's TICD will be their prior TICD not to include credit for time not within the job classification the bargaining unit member is reverting back into.

F. The Sheriff may deviate from the above-described process regarding inverse seniority in layoffs only in the case of operational necessity. The agency shall demonstrate operational necessity by showing that the bargaining unit member being retained has training in an area of expertise that is necessary for the position and is not possessed by a bargaining unit member of greater seniority, unless the more senior bargaining unit member can meet the training standards and be able to perform the requirements of the position within ninety (90) days. The parties acknowledge that in the event of a layoff, detention deputies and sergeants are exempt from the provisions of this Subsection.

G. In addition, the parties acknowledge that in the event of a layoff, the DUI BAT Unit assignment will be exempt from CSA bumping/recall provisions.
H. Notwithstanding the above, the determination of Time in Classification Date (TICD) for those bargaining unit members assigned to the Communication Operator Series or those bargaining unit members assigned to the Confinement Status Specialist series shall be determined and established from the bargaining unit member's original date of classification within the Communications Operator series or the Confinement Status Specialist Series.

I. In the event of a layoff, a non-bargaining unit member may revert to his/her former bargaining unit job classification into a vacancy as determined by the Sheriff or designee if one exists.

**Layoff Processing**

J. **Civilian (Non-Sworn) Job Classifications** – When a position is identified as being eliminated the bargaining unit member may bump a bargaining unit member within the same job classification with the least hire date seniority. If more than one bargaining unit member is being eliminated the bargaining unit member with the most hire date seniority selects first from the identified least hire date seniority positions within that same job classification.

If two or more job classifications are affected, the least hire date seniority in the higher job classification may bump the least hire date seniority bargaining unit member in the lower job classification.

When any of the following positions are identified as being eliminated the bargaining unit member may bump a bargaining unit member within the same job classification with the least TICD seniority:

Records/Warrants Supervisor
Public Records Supervisor
Inmate Property Supervisor
Detention Facilities Maintenance Supervisor
Courier Supervisor
Civil Process Server Supervisor
Commissary Storeroom Supervisor
Regional Communications Duty Officer

Notwithstanding the above, the determination of Time in Classification Date (TICD) for those bargaining unit members assigned to the Communication Operator Series or those bargaining unit members assigned to the Confinement Status Specialist series shall be determined and established from the bargaining unit member's original date of classification within the Communications Operator series or the Confinement Status Specialist Series.
K. **Sworn Job Classifications** - When a position is identified as being eliminated (non-layoff) the bargaining unit member’s shift, days off and facility will be honored until the next annual bid.

If two or more job classifications are affected by a layoff, the least TICD seniority in the higher job classification may bump the TICD seniority bargaining unit member in the lower job classification.

In the event that a layoff occurs, the parties will attempt to enter into an agreement which would permit an amended annual bid date, as a one-time exception associated with the layoff. This bid should be effective on a date prior to the effective date of the layoff. The results of the one-time exception annual bid will supersede the above bumping process. If a bid cannot be conducted prior to the layoff then a bid will be conducted as soon as a time frame can be established by agreement between the parties. In the interim, the above described bumping process will apply.

21.3 **Seniority and Vacancies** (For Bargaining Unit Members other than Detention Deputy Control Room Technicians & Sergeant)

A. **General Consideration for Non-bidding Bargaining Unit Members**

1. The term "vacancy" as used herein refers to openings for location. Except as modified herein, the Sheriff retains absolute control to hire new employees to fill vacancies in his sole discretion;

2. The Sheriff reserves the right to temporarily fill said vacancy with any available bargaining unit member for a period of up to thirty (30) calendar days after the vacancy arises;

3. Within said thirty (30) days, the Sheriff will attempt to fill said vacancy on the basis of seniority, providing that the bargaining unit member is certified, trained and qualified to fill said vacancy. However, the Sheriff reserves the right to "pass over" the most senior bargaining unit member, and to select any other qualified bargaining unit members, for legitimate operational reasons.

4. When there is a vacancy in a particular location, such vacancy will be posted for a period of ten (10) working days and interested bargaining unit members will be permitted to request a transfer to said vacancy.

B. **General Consideration for Bidding Bargaining Unit Members**

3. It is agreed that, the Sheriff will fill at least seventy five percent (75%) of vacancies for shift, facility/location, days off and/or post/assignment, with the most senior bargaining unit member, as established by their time in class date (TICD), through the annual shift bidding process. BSO may fill twenty five percent (25%) of all funded positions administratively for legitimate operational reasons. Any administrative placements must be agreed upon by both the Sheriff and the bargaining unit member.

No bargaining unit member can be removed from the post/assignment they bid except while the member is under an official internal investigation or light duty. However, a CSA may be temporarily re-assigned for up to two weeks for a legitimate operational necessity.

4. Vacancies for the annual shift bid will be posted for bargaining unit members to review at least 10 days prior to the bid date or closing date for bids. After the bids are finalized, the completed bids will be posted for at least 10 days for bargaining unit members to review as soon as possible. Any of the aforementioned bid steps will be forwarded to the FPE upon request.

5. When there is a vacancy in a particular facility/location or district such vacancy will be posted for a period of ten (10) working days and interested bargaining unit members will be permitted to request a transfer to said vacancy. If two or more bargaining unit members request a transfer to the same vacancy, the senior member may be awarded the transfer.

D. Bidding shall fill ninety percent (90%) of all funded certified detention deputy posts in the Department of Detention. BSO may fill ten percent (10%) of all funded certified detention deputy posts administratively.

E. Bidding shall fill ninety percent (90%) of all funded certified detention sergeant posts in the Department of Detention. BSO may fill ten percent (10%) of all funded certified detention sergeant posts administratively.

F. Bidding shall fill ninety percent (90%) of all funded detention technician posts in the Department of Detention. BSO may fill ten percent (10%) of all funded detention technicians administratively total.

G. BSO will furnish the FPE with a report regarding the administration of these provisions when requested. The report will be furnished within fourteen (14) calendar days of request. A meeting between the Director of the Department of Detention (or his/her designee), the FPE and an on-site representative from each of all the Department of Detention facilities may be scheduled as soon as practicable after the report is furnished to the FPE.

H. The format for the bid will be discussed with the FPE representatives at least thirty (30) calendar days prior to the date on which the annual bid will begin. The FPE will be advised at least fifteen (15) calendar days prior to the beginning of the annual "mini-bid."

I. The parties mutually agree to select a detention deputy post per shift, per facility, to include Central Intake (excluding Transportation) with weekends off. This post will not be administratively filled by either party and will be open for bid during the established bidding process and will be filled by seniority. If there is no agreement within five (5) working days prior to the Sheriff or designee posting the bid, the Sheriff or designee will make the final decision.

This post will not be administratively filled by either party and will be open for bid during the established bidding process and will be filled by seniority. If there is no agreement within five (5) working days prior to the Sheriff or designee posting the bid, the Sheriff or designee will make the final decision.

22.2 Any bargaining unit member who accepts or is permanently assigned, e.g., voluntary demotion, to a lower job classification shall be compensated at the rate of pay commensurate with the bargaining unit member’s ability to initially perform the lower job classification.
ARTICLE 23

USE OF PERSONAL VEHICLE

23.1 Any bargaining unit member, with exception of Civil Process Servers, using an authorized personal vehicle for approved departmental duties, shall be compensated at the state-approved rate. Civil Process Servers without assigned BSO vehicles, who are authorized to use personal vehicles for the performance of their BSO duties, shall be compensated as follows:

The Sheriff agrees to supply the shotguns for any perimeter posts.

24.9 In the event that a bargaining unit member incurs damage to or loss of prescription eyeglasses, prescription sunglasses, or prescription contact lenses as a result of performance of duty, the Sheriff hereby agrees to replace/repair the damaged item up to a total amount of $200.00 per incident. The total amount allocated for this benefit for this bargaining unit in its entirety will be five thousand ($5,000.00) dollars during the term of this Agreement. Reimbursement of any claim for repair or replacement of eyeglasses must be approved in writing by the bargaining unit member's Department Director.

APPENDIX “A”

This appendix covers a portion of the Agreement executed on Friday, September 12, 2003 entitled “Federation of Public Employees Shutdown Posts/Overtime Settlement and Release Agreement and updated to include the language agreed upon in the Modification of Settlement and Release signed by Sheriff Al Lamberti on September 24, 2007

Regarding the scheduling and rosters, the parties agree to following terms:

The parties agree all overtime will be authorized at the discretion of the shift supervisor in a fair and equitable manner;

FPE agrees that BSO determines the number of utility posts based on its operational needs which may include increasing or decreasing the number of utility posts. BSO agrees that changes to the number of utility posts, whether increases or decreases, will be reviewed with FPE prior to implementation. A utility post is defined by the parties as a post which is subject to shut down by BSO. Deputies who bid and ultimately are awarded a utility post understand that they are subject to shut down or movement to another post at the discretion of the shift supervisor.

BSO agrees that when there is more than one utility post of the same category and location to be closed, such will be done on the basis of seniority so that the least senior deputy of the same category and location will be affected. (Example: Three movement deputies all working on the 7th floor Main Jail and one must be shutdown, the shutdown will be based on seniority, the least senior deputy being shutdown first.) Further, in the event the post category being shut down or moved has only one position on that shift, there is one consideration for seniority or shutting down a different post category or location as a substitute option;

In cases of emergency or extenuating circumstances, BSO may move shutdown post deputy to an adjoining facility or command;

Those posts defined as fixed, may be temporarily shut down in cases of facility maintenance, construction or other emergencies.

The parties agree that BSO will conduct “Master Bids” every year. Further, the parties agree that a “Mini Bid” shall be conducted once per year, to be effective in June of each year. In the event of a voluntary bid change during the mini bid, the employee’s preapproved leave (annual, holiday, bonus days, etc.) schedule will not follow the employee. The employee shall select leave on a first come, first served basis.

Deputies and Sergeants who bid Central Intake, Mental Health, and/or Work Unit, agree their assignments will be for the duration of the Master Bid (1) year unless excused by the Director or Executive Director;

Sick leave call in procedures will require employees calling in to personally call the on duty shift commander of their respective command and not into Master Control.
However, it is agreed that lieutenants or acting shift commanders may not inquire as to the nature of the employee's illness; and

Bonus days, holidays and personal days can be requested at the discretion of the bargaining unit member but will be approved at the discretion of BSO based on prior supervisory approval. The provisions of 9.3 of the collective bargaining agreement shall remain intact.

Members designated to serve on the AAB board will be selected from lists provided by the Union and BSO consistent with current contract language. The selection of those members will be at the discretion of BSO in accordance with the existing process. BSO picks all three persons from the lists.
