

EVERY CHOICE BEHIND THE WHEEL MATTERS

Avoid distractions while driving.
Protect yourself and others on the road.

Stay Safe. Stay Focused. Stay Alive.

- **PUT THE PHONE AWAY.** No texting, FaceTime calling, scrolling or watching videos.
- **MINIMIZE DISTRACTIONS.** Keep passengers and noise levels to a minimum.
- **STAY FOCUSED.** Never drive while drowsy. Keep your eyes forward and drive with both hands on the wheel.

Don't let a single moment or distraction change your life forever.
