NEIGHBORHOOD SUPPORT TEAM

*Building Stronger,
Safer Communities*

Under the leadership of Sheriff Dr. Gregory Tony, the Broward Sheriff's Office (BSO) **Neighborhood Support Team (NST)** is strengthening connections between law enforcement and residents throughout Broward County. The NST is committed to proactive community policing and building relationships through open communication to find practical, lasting solutions. This approach enhances safety, fosters trust and creates safer, more connected communities.

WHAT IS NST?

The NST is a dedicated team that collaborates with residents and community partners, including business owners, faith leaders, school officials, mental health professionals, social workers and youth groups. Together, they work to:

- » Address public safety concerns.
- » Provide essential resources and services.
- » Build relationships based on trust and mutual respect.

HOW THE NST SERVES BROWARD COUNTY

The NST supports the community by:

- » Hosting public safety seminars and sharing crime prevention tips.
- » Sharing social services with seniors, veterans, and families in need.
- » Coordinating back-to-school drives and distributing food pantry resources.
- » Participating in festivals, parades and BSO-sponsored events.

GET INVOLVED

The NST is here to listen, support, and provide the tools you need to feel safe and connected with the Broward Sheriff's Office. Visit sheriff.org/nst to learn more and join our efforts to keep Broward County safe.
