<tbody>
<tr>
<td>What is a Regional Communications Operator (911)?</td>
<td>A 911 Operator receives emergency, and non-emergency calls from the public to assign and dispatch the appropriate Fire Rescue and/or Law Enforcement personnel. In this role, you are certified to interrogate callers using pre-determined protocols and provide life-saving instructions. A 911 operator needs to be able to multi-task, having excellent listening and comprehension skills and remain calm while communicating with callers during crisis.</td>
